Under California law, if this Warranty covers the product defect, California residents may alternately return the product to the merchant who sold it or to a retail store, which sells the product or similar Telebrands products. The merchant then may offer a repair, refund the purchase price minus loss of value to the product from the consumer's use, or suggest to the consumer a repair facility independent from the merchant. If these do not provide appropriate relief, the California resident customer can then go to an independent repair facility if service is economically feasible. Telebrands will then pay for service, repair, replacement, or refund for product covered by this Warranty if the amount is reasonable.

This Warranty does not cover or apply to damage to the product that is the result of use other than normal wear and tear, for example, misuse, abuse, or accident, or cover or apply to scratches or damage that is merely cosmetic or minor in that it does not significantly affect the performance of the product. In addition, this Warranty expressly excludes incidental and consequential damages of any kind whatsoever. As some states prohibit exclusion or limitation of incidental and consequential damages, this exclusion may not apply to you. While this Warranty provides certain legal rights, other rights, which vary from state to state, may also apply.
